

Premarital Counseling and Screening

About the Service

This service enables couples to request a pre-marital examination to ascertain whether they are free from genetic, infectious or sexually transmitted diseases and to safeguard their health by ensuring that no infection will be transmitted between them.

{c1da060b-d67b-471c-bc92-2d54f6326097}

Service Process

- Register in the digital-services, create user name and password (If not yet registered), and login
- Visit the health care center and register at the reception or book an appointment through the application or through the call center 8008877
- Provide medical history, including any genetic diseases
- Undergo the blood tests included in the programme
- Advice will be provided where required
- Pre-marriage vaccination service is provided wherever required
- Provided the test results indicated health fitness, the certificate will be issued

Required Documents

- Original Emirates ID for Emarati and UAE residents.
- Original copy of a valid passport for visitors.
- Attendance of a guardian for applicants younger than 18

Conditions & Requirements

1. The service is offered to citizens and residents of both sexes aged 18 and older
2. A guardian is required for applicants under the age of 18
3. Reports are issued with a validity period of three months
4. Utmost confidentiality is assured with respect to test results

Service completion duration

- The period required for completion depends on the outcome of the medical condition of the couple and varies from 3 to 5 working days

Service Fees

UAE and GCC Citizens: AED100

Non UAE Citizens: AED250
