

Pre-Employment Fitness Screening

About the Service

The pre-employment medical fitness is a service provided to new employees who are going to work in governmental, semi-governmental and private entities (for UAE citizens only) in the UAE. This service enables new-employees to request medical fitness by undergoing medical examination that includes risk assessment, physical examination, and investigation to ensure that he/she is medically fit for the proposed job.

Service Process

- Register in the digital-services, create user name and password (If not yet registered), and login
- Complete the electronic medical history on the EHS's portal
- Make an appointment at the primary health care centers of the Emirates Health Services through the patient portal
- Proceed to the appointment with the required documents (ID/ Passport)
- An SMS message will be sent stating the completion of the transaction and the issuance of the certificate
- Retrieve your e-certificate from your EHS website account.

Required Documents

- Emirates ID or passposrt
- Personal photo
