

Request for Registration in the internship Programs

About the Service

This service enables graduates of medical faculties to enroll in internship training programs that will provide them with the opportunity to integrate medical knowledge acquired during their university studies with clinical work in hospitals or clinics, thereby contributing to the development and improvement of their clinical skills necessary to practice medicine and to serve patients in a safe and professional manner.

Service Process

- Register in the digital-services and make user name and password (If not yet registered), and login
- Submit the application for the service via the web-services.
- Attach all requested documents.
- Pay application fees.
- The applications are reviewed and the applicants will be informed of the final status of their application.
- The applicant will be added to the prospected training registry.

Required Documents

- Complete the application form
- A copy of valid passport
- A copy of valid Emirates ID card
- A certified copy of the Academic Degree Certificate
- A copy of the academic transcript
- The family book (for UAE Nationals)
- A copy of birth certificate
- A valid residency visa (for non UAE Nationals)
- IELTS certificate (minimum grade of 6) for graduates from outside of the UAE
- Valid BLS completion card

Conditions & Requirements

1. Registration for the internship program open in the first of May till 15 of June each year
2. Applicants must be recent graduates of no more than one year
3. Priority is given to UAE Nationals
4. The acceptance of registration in the internship training programs means that the applicant is qualified to apply to the training program and does not mean starting the training. The acceptance to enroll in the training is determined based on several factors including the availability of suitable vacant training seats
