

Examination of Medical Fitness for Residency Visa

About the Service

This service enables an expatriate to obtain a certificate of good health following a fitness examination to prove that such a worker is free from communicable and infectious diseases, thereby allowing him/her to obtain a residence permit within the UAE or to renew his/her current residence.

Service Process

- Register in the digital-services, create user name and password (If not yet registered), and login
- Print and complete the smart form at a printing center or via the e-service for individuals or registered companies
- Pay the fee at the printing center or through the electronic system
- Print the medical examination form
- Visit the preventive medicine center or examination center for residency with the required documents to be audited
- Visit the radiology department for required X-ray
- Visit the laboratory for blood tests
- Examination results will be sent to the applicant via email and sms, and submitted to the General Directorate of Residency and Foreigners Affairs in the Federal Authority for Identity and Nationality
- Applicant can print the medical examination results via the electronic link
- Original medical examination certificate will be sent via Empost courier services
